

# Factuality Scoring

## Factuality Assessment Framework

 Evidence-based verification

 Citation traceability

 Source credibility ranking

 Internal consistency checks

Level 1

Peer-reviewed Research

Level 2

Clinical Guidelines

Level 3

Medical Textbooks

Level 4

Expert Opinion

0

2

5

7

10

Scoring: 0 (unverifiable) → 5 (single source) → 10 (multiple high-quality sources)
